3- day NATIONAL SEMINAR

On
Emerging challenges
in pharmaceutical industry
and to orient institutional
training needs to meet them.

16 MARCH 2019 (SATURDAY)
to
18 MARCH 2019 (MONDAY)

ORGANISED BY:

GAYATRI INSTITUTE OF SCIENCE AND TECHNOLOGY

VENUE

Campus Auditorium, Gayatri institute of science and technology
Regeda, Gunupur, PIN 765022, Dist.- Rayagada (Odisha)

e-MAIL <gistseminar2019@gmail.com>

www.gist.ac.in

ABOUT THE SEMINAR

Consequent upon the recent advances in technological innovations, such as wearable devices, real world evidence, telemedicine, nanotechnology and precision medicine, pharmaceutical industry is facing tough times due to insufficient trained man-power. The seminar is to bring Academicians and leaders of the Industry face to face, to orient their professional skills to complement each other. In other words, to meet the requirement of the industry through appropriate knowledge & skill development at the training level.

PENAL DISCUSSION

- Type of skilled personnel required by the industry.
- Rethinking on the present curriculum and the need, if any, to orient the teaching learning contents to meet the contemporary challenges.
- Reorienting the teaching learning process to attract the learners.
- In-service training needs for capacity building
- The manpower requirement of the industry and suitable skill development through training programmes regular classroom teaching and in-service refresher courses.

ABOUT GIST, Gunupur

Gayatri Institute of Science and Technology, One of the fastest growing technical institutes to impart B.pharm, D.pharm and M.pharm studies. It is one of the top growing colleges in Southern India. The institute with eminent faculty and excellent infrastructure attracts students from different regions of our country to pursue their study. This institute has been established in the year 2004 under ISA Trust in a socially and economically backward area. The campus is spread over 20 acres of land amidst picturesque landscape with a wild flora and fauna. This area is free from communal tension and industrial pollution. The institute is situated on the Gunupur – Paralakhemundi State Highway just 5 KMs from Gunupur, in the industrial district of Rayagada.

THE PLACE

Gunupur, in the industrial District of Rayagada, is a nerve centre of technical educationwith many of Odisha's most reputed Engineering, Diploma Engg., MCA, MBA, Pharmacy colleges. The place has a natural beauty, adorned with a more than century old Jagannath temple, amidst a river valley and hills on the bank of River "Vansadhara". a fertile land with rich vegetation that produces major share of the States, rice and vegetable crops. A semi hill station, free from industrial pollution and communal tension, Gunupur is well connected by rail and road. The nearest railway station is Gunupur and Rayagada (on Vishakhapatnam- Raipur line) and Palasa & Naupada (on Madras-Kolkata route).
